

Reformed Classic Academy FREE Enrollment and Preschool Curriculum Instructions

At RCA, we are eager to share with you our curriculum so you can get a good sampling of what it is like and evaluate whether it fits your family's needs. With that in mind, we offer our preschool curriculum absolutely free to anyone with a 3-to 4-year-old who might be interested. We hope that it is a blessing to your family, and you will become a member, using our curriculum well into the future for your child's home education.

To get enrolled and access our free preschool curriculum, follow these instructions:

Part 1

1. Print out this page so you can have it in front of you while you follow the instructions.
2. From here (the page you're on by using the QR code), go to our main home page. (You can do this by clicking on **Home** in the menu, or by entering our URL from wherever you are online, <https://reformedclassicacademy.com>)
3. Click on the **Log In** menu item.
4. Click on the **Join Now** link at the bottom of the registration box.
5. Select the **Free** option at the bottom of the list of three Select buttons.
6. **DO NOT** enter a discount code. (That will come later)
7. **DO** enter your choice of username, password, and a valid email address.
8. Click the **Submit and Confirm** button.
9. Congratulations, you are now a free member of Reformed Classic Academy, and you will be sent an email giving you the choice to be added to our newsletter. (You may unsubscribe at any time.) However, you do not yet have access to any courses. We will do that next.

Part 2

1. Courses can be enrolled in on an A-La-Carte basis or by monthly membership. We will use the A-la-Carte method to claim your free preschool curriculum.
2. Navigate to our Curriculum menu, and a drop-down menu will appear.

3. Select either **Pre-Trivium** or **Pre-School** in the drop-down menu.
4. If you selected Pre-Trivium, then select **Pre-School** in the next menu.
5. The Parent Guide is openly available and can be read by all members. Feel free to read through that.
6. Then select which course you want to start with. There are five: Reading Readiness, Math Readiness, Writing Readiness, Basic Skills, and a Catechism.
7. Once selected, you will see a blue “Take this Course” button; click on this.
8. Enter the discount code “free” in the box where it asks if you have a coupon, and click **Apply**.
9. Then click **Checkout**
10. You are now enrolled in that course. You can enroll in all preschool courses in this way.
10. Follow the ideas in the curriculum according to your schedule, and let us know about any suggestions or corrections you would like to see as improvements, and how your child enjoys the curriculum. Our completely online curriculum allows for very fast turnaround time on suggestions. Utilize the forums for this.

We really appreciate you trying us out and hope that our curriculum will be a blessing to your family.
